"I shall pass through this world but once; if therefore there be any kindness I can show or any good thing I can do, let me do it now; let me not defer it, nor neglect it, for I shall not pass this way again."

East Ham's War Memorial.

The names of over 2,000 local men who gave their lives in the Great War of 1914-1918 are publicly recorded on bronze panels in the Entrance Hall of this Hospital.

Is it possible to conceive a more fitting manner in which to perpetuate their memory?

If you lost a near, or dear one, why not commemorate the occasion by sending an Annual Subscription?

The Rt. Hon. BARON BETHELL OF ROMFORD.

The President of the Hospital.

FORTY-THIRD ANNUAL REPORT OF THE BOARD OF GOVERNORS. FOR THE YEAR 1944.

The Board of Governors begs to submit to the Governors, Donors, and Subscribers its Report for the year ended 31st December, 1944.

It is with deep regret that the Board records the deaths during the year of Sir Hugh M. Rigby, Bt., K.C.V.O., M.S., M.B., F.R.C.S., Consulting Surgeon of the Hospital since its opening in 1902, and Mr. John Davis, Honorary Solicitor of the Hospital since 1929, a Member of the Board of Governors since 1940, and a Life Governor. Also the deaths of Mr. J. Mortlock, a Life Governor and a Foundation Governor; Mr. C. J. Boase, J.P., Mrs. A. McGiff, and Mr. F. C. Strick, Life Governors; and Mr. E. C. Howlett and Dr. J. A. Thornton, Foundation Governors; and Mrs. V. E. Ballard. To the relatives of these Ladies and Gentlemen the Board extends deep sympathy.

Obituary.

The Board tenders hearty congratulations to Major Reginald Perry, F.H.A., Secretary Superintendent of the Hospital, on his appointment as a Member of the Military Division of the Most Excellent Order of the British Empire.

Congratulations.

The Board very much regrets to report that Lord Bethell met with an accident towards the end of the year, and as a result is still confined to his bed. The Board takes this opportunity of placing on record its very deep gratitude to His Lordship for all that he has done for the Hospital since its foundation and its sincere hopes that he will make a speedy and complete recovery.

President.

The Board regrets to report the resignation of Mr. S. Sharpless who had been a Member of the Governing Body since 1904. The vacancies on the Board caused by the death of Mr. John Davis, and the resignation of Mr. Sharpless, have been filled by the election of Mr. Leslie R. Davis, and Mr. Eric R. Taylor.

Board of Governors.

Mr. Leslie R. Davis has been invited, and has very kindly undertaken, to continue the duties of Honorary Solicitor, so ably and generously carried out by his late father.

Honorary Solicitor.

Mrs. J. C. Dennison, who has been acting in the capacity of Honorary Librarian since the death of Mrs. Moger in

Honorary Librarian.

1943, has kindly accepted the invitation of the Board to fill this appointment.

Work of the Year.

The work accomplished during the year is shown in detail on pages 14 and 26. With the exception of the number of Out-Patient Attendances, which shows a decrease, probably due to the Flying Bomb and Rocket attacks, the figures again show an increase on the previous year, whilst the number of patients admitted is the highest ever recorded, and the average number of beds occupied daily, and the number of new Out-Patients are the highest since the outbreak of War.

It was hoped that "C" Ward, the only one of the six Wards of the Hospital not in use, would have been opened during the year, but technical difficulties in connection with the restoration of the lift have delayed this re-opening.

Financial Position.

The Income and Expenditure Account and Balance Sheet will be found on pages 22 and 24. As a result of the year's work the General Fund Deficit was increased from £1,826 4s. 8d. to £8,202 2s. 0d.; the Buildings and Equipment Fund deficit was reduced from £11,610 3s. 3d. to £11,123 12s. 6d.; the Endowment Fund was increased from £5,005 14s. 10d. to £6,005 14s. 10d.; and the Samaritan Fund was reduced from £64 9s. 3d. to £58 1s. 0d., a total deterioration of £4,895 14s. 10d. as compared with the 31st December, 1943.

The recommendations of the British Hospitals Association on the Salaries and Wages of the Hospital Staffs not covered by the Rushcliffe and Hetherington Reports, have been adopted by the Hospital.

The Board has found it necessary, owing to the substantial rise in the cost of working, to increase the charge for Private Wards and Private Cubicles from £5 5s. 0d. per week to £6 6s. 0d. per week.

The Financial Position of the Hospital at the 31st December, 1944, may be summarised as follows:—

ASSETS.

Land, Buildings and Equipment	150,383	17	7
Investments	5,142	17	7
Credit Balances of Funds... ..	1,220	18	3
	<hr/>		
	£156,747	13	5

LIABILITIES.

Debit Balances of Funds	£19,325	14	6
--------------------------------	---------	----	---

A list of Contributors during the year appears on page 33 *et seq.*, and the Board expresses to all its deep gratitude.

Donors and
Subscribers.

The Board draws the special attention of Annual Subscribers to the Form of Agreement facing page 30. By completing this Form a Subscriber enables the Hospital to claim from the Inland Revenue Department each year, an amount equal to the amount of his or her subscription, and so double its income from Annual Subscriptions without any additional financial commitment on the part of the individual subscriber.

The Board is grateful to King Edward's Hospital Fund for Grants of £2,000 to the General Fund, and £500 to the Buildings and Equipment Fund. Sir Charlton Briscoe, Bt., M.B., F.R.C.P., and Mr. G. R. Hughes, C.V.O., visited the Hospital on the 26th June, on behalf of the Fund.

King's Fund.

The Board expresses thanks to the Worshipful the Mayor and the Members of the East Ham Corporation, for a Grant of £2,000 and for a Contribution of £400 under the Sunday Entertainments Act.

East Ham
Corporation.

The gratitude of the Board is extended to our friends in America for gifts of Linen and Clothing valued at £93 13s. 1d. received through the medium of Bundles for Britain.

Bundles for
Britain.

The Board acknowledges with gratitude the sum of £225 received during the year, as a result of the splendid work of the Welfare Society.

Welfare
Society.

The control of materials has greatly hampered the work of the Linen League and its Manor Park Branch, but the Board hopes that before long these Ladies will be able to resume their valuable and welcome efforts on behalf of the Hospital.

Linen
League.

The Board acknowledges with gratitude the work of the Honorary Medical Staff, the Honorary Auditor, the Honorary Solicitor, the Honorary Librarian, and the Honorary Chaplains.

Thanks.

The Board wishes to place on record its appreciation of the exemplary manner in which the Medical, Nursing, Domestic, and Administrative Staffs carried out their duties during the Flying Bomb and Rocket attacks, and to express the highest praise for the courage and cheerfulness displayed by all during this period.

Staff

The Board is making preparations for the launching of an Appeal to commemorate the cessation of hostilities and

Commemora-
tion Appeal.

Victory. The target aimed at is £50,000, made up as follows :—

£20,000 to reduce present debt.

£10,000 to modernise present equipment.

£20,000 to build a modern Out-Patient Department.

The Board earnestly appeals to all the people of East Ham and also to the many others who will be approached during this special effort, to mark their thankfulness for Peace and Victory, by a special and a generous contribution to this Appeal.

On behalf of the Board of Governors,

J. W. LOHDEN, *Chairman*.

OUR' HOSPITAL

A conversation between Mr. SMITH, a local Voluntary Hospital Chairman, Dr. ROBINSON and JOHN CITIZEN . . .

JOHN CITIZEN : " Tell me, Mr. Smith, is our hospital against the Government's plan for a free national health service ? "

Mr. SMITH : " I'm glad you asked that. The truth is that six months before even the Beveridge Report was published the voluntary hospitals had already drawn up their main post-war plan. They then backed wholeheartedly the policy of hospital facilities for all, regardless of income."

Dr. ROBINSON : " If I may chip in, *it is a mistake to call it a 'free' service.* The Ministers of Health and Reconstruction have both stated in Parliament that this is not correct."

Mr. SMITH : " Yes. That idea got about because the White Paper says the service is free. But since then in the House the Minister of Health used these words : *' a service of this kind has to be paid for, it cannot be free, everybody will pay.'* "

JOHN CITIZEN : " It was the White Paper that misled me. But you are for hospital facilities for all, and so, it seems, is the Government. Where d'you differ, then ? "

Mr. SMITH : " As to ways and means. That's all. But it's vital. As we see it, the Government's plan may well involve the extinction of the voluntary hospitals. What a national loss ! It is only these hospitals that have a record of hundreds of years of service and experience."

JOHN CITIZEN : " Tell me more about what they do."

Mr. SMITH : " Well, you know that they treat six and a half million patients a year. Then, every medical student receives his training to become a doctor at a voluntary hospital—think what that means ! They were the first to train nurses, and they still train more than half of them."

Dr. ROBINSON : " Yes, but that's not all. Do you know that *nearly all the important discoveries that have saved life and alleviated suffering have been made in the voluntary hospitals ?* The latest is Penicillin. There are of course many more."

JOHN CITIZEN : " Is it true that the voluntary hospitals are hampered for lack of money ? "

Mr. SMITH : " Of course, every year there are some hospitals that have failed to make ends meet. But in the last fifteen years they have been able, on the whole, not only to meet their expenses, but have expanded their services from 60,000 beds to 100,000 beds ; and have increased their yearly income from £9,500,000 to £17,000,000. Throughout the centuries they have set the standard of medical progress and quality of service. Need I say more ? "

JOHN CITIZEN : " No. Who would destroy anything so fine ? "

Mr. SMITH : " Intentionally—of course, no one. But through lack of understanding of the facts which are complex, it might easily happen."

JOHN CITIZEN : " Explain."

Mr. SMITH : " Very well. The White Paper plan does not allow the voluntary hospitals to have any say in the planning or arrangement of the future hospital services, which are to be entrusted wholly to local authorities."

JOHN CITIZEN : " Well, that doesn't seem right."

Mr. SMITH : " The facts are simple and speak for themselves. In 1875 our local authorities were given legal power to provide hospitals—that's just on seventy years ago. Ask yourself—is the available service adequate? "

JOHN CITIZEN : " No, it isn't."

Mr. SMITH : " Well now, I will tell you what the voluntary hospitals propose. *They want the interests of the patient to remain the first consideration all the time.* They want the patient at all times to have freedom of choice of hospital. They are anxious to take their full share—a big share it is—in the development and improvement of hospital services. But to do this they ask to be allowed to place their experience at the disposal of the people and have their proper share in seeing that the service is properly planned. This, under the White Paper proposals they would not get."

JOHN CITIZEN : " But what about cost? If the health service is going to be paid for by our buying a Government stamp, will our contributory scheme or works fund, and the other moneys we give to voluntary hospitals, still be needed? "

Mr. SMITH : " Emphatically—Yes ! There are many reasons. Here's just one. The Government says definitely in the White Paper that their scheme will provide only *part* of the money required for the hospital services, and that the voluntary hospitals will have to continue to rely on the public for financial support. So we have to carry on ! "

JOHN CITIZEN : " I see that. Now, do you favour the Government's *aims*? "

Mr. SMITH : Yes. We, perhaps more than anybody, want to make the National Health Service a success. But we must be able to work under workable conditions. We want—let me repeat, in the interests of the patient—that real partnership that has been promised to us by the last three Ministers of Health."

Dr. ROBINSON : " That's the point we want to make all the time. The good of the patient must come first."

JOHN CITIZEN : " Yes, I am thoroughly convinced. Now, how can I back you up? "

Mr. SMITH : " By telling your M.P. what you think. Now's a good time. D'you ever write a letter to your local paper? Try that."

Dr. ROBINSON : " Yes. And why not get that contributory scheme of yours to send its collective view to your M.P. ? "

JOHN CITIZEN : " Right ! I've always used our hospital. And so have my family."

Mr. SMITH : " When you say '*our hospital*,' you explain everything. A sick man is an individualist. So let's work for our hospital, lest we find ourselves with only the hospital."

JOHN CITIZEN : " Depend on me. Our Hospital ! You've hit the nail on the head."

After reading please pass on.
